AMENDMENT B

Commissioner for Patents  
Washington, D.C. 20231

Sir:

This amendment is in response to the Office Action dated October 9, 2002  
wherein the Examiner rejected claims 1-25.

In The Claims:

Please amend claim 1 to read as follows:

1. (Twice Amended) A compact mobile crane apparatus, comprising:  
a trailer supported on at least one pair of wheels;  
a hydraulically operated crane having a center post and a boom,  
said center post supported to extend upwardly from a central region of said  
trailer, said central region substantially centrally located both longitudinally and  
laterally, and said boom extendable outwardly from said center post; and  
a crane operator control station carried by said trailer.

Please amend claim 11 to read as follows:

11. (Twice Amended) A compact trailer-mounted crane apparatus, comprising:

a trailer supported from a ground surface on at least two wheels;

a hydraulically operated crane arm telescopically extendable from a post, said central region substantially centrally located both longitudinally and laterally, said post mounted to said trailer to extend upwardly from a central region of said trailer, said crane arm extendable from said post ;

a hydraulic crane power unit mounted to said trailer for supplying pressurized hydraulic fluid to said crane arm;

a control panel for said hydraulic power unit mounted on said trailer; and

an operator seat supported from said trailer and arranged to face said control panel.

17. (Amended) A compact mobile crane apparatus, comprising:

a trailer supported on [at least] one pair of road transportation wheels mounted on a common axle; and

a hydraulically operated crane having a center post and a boom, said center post supported to extend upwardly from a central region of said trailer and said boom extendable outwardly from said center post, said center post being located substantially equidistant between said wheels.

Respectfully submitted,
